### Save early, save often

Yesterday,  
All those backups seemed a waste of pay.  
Now my database has gone away.  
Oh I believe in yesterday.

Suddenly,  
There's not half the files there used to be,  
And there's a milestone hanging over me  
The system crashed so suddenly.

I pushed something wrong  
What it was I could not say.  
Now all my data's gone  
and I long for yesterday-ay-ay-ay.

Yesterday,  
The need for back-ups seemed so far away.  
I knew my data was all here to stay,  
Now I believe in yesterday.(Ein Klassiker der Netzwelt, aus gegebenem Anlass)
